

Think big - ask questions!

- Speak in full sentences all the time.
- Work with talk partners and practise what you will say before you give your answers.
- Ask questions and answer questions - explain your opinions.
- Don't be afraid to get it wrong.
- Use key words to help you with your work.
- If you're stuck, don't give up - keep trying.
- Be independent and competitive - aim to be the best!
- Always try your hardest.
- Take pride in your work and yourself.
- Listen to your teacher and each other.

Maths

- Learn your times tables.
- Challenge yourself by solving problems

Achievement for everyone!

Keep Safe

Be SMART

- Stay safe online and on the streets.
- Make good choices.
- Ask for help if you have a problem
- Remember to follow the Code of Conduct
- Think before you act.

Be a Leader

Be the kind of leader that you would follow.

- Be a role model to others - always be kind.
- Help others to learn in your class.

English

"If you are going to get anywhere in life you have to read a lot of books."
- Roald Dahl

- Look and listen in class - be focussed.
- Be curious - ask questions and think of ways to find your own answers.
- Don't be afraid to get things wrong - keep trying until you get it right.
- Do your best all the time.

Speak Up!

- Look at marking from your teacher - learn from it, ask if you need to.
- Don't keep making the same mistakes.
- Give ideas to help others improve.
- Tell your teacher how you learn best and why.
