## *Jesus the Messiah*

Year 6 will learn that Jesus healed many people, brought others back to life and that His miracles led many to believe that he was the Son of God. They will learn that Jesus' enemies plotted to have him arrested, and learn about the arrest and the trial before the high priest. They will learn about Jesus' trial before Pilate and learn that Jesus was condemned to death and crucified. They will also learn what Jesus said before he died and about His glorious resurrection. The children will have the chance to reflect on the miracles of Jesus. They will have the opportunity to make the Stations of the Cross and participate in a dramatisation of the passion, death and resurrection of Jesus. They will also reflect on the meaning of the passion, death and resurrection of Jesus for us today.
