

St Joseph's RC Primary PTA

AGM Thursday 23<sup>rd</sup> October 2014

#### CHAIRPERSONS REPORT

We have held many successful fundraising events this year such as a quiz night, discos, refreshment sales, Panto sales and the summer fete. We also had one event that did not go so well but we recovered from this by merging it with our quiz night and in the end the racing was very much enjoyed by those who attended.

The money raised has put to effective use such as to purchase the leavers year books again. We also provided some new IT equipment this year.

The PTA has worked hard and we are fortunate to have a strong dedicated team including Liz Short as the ever efficient secretary, Julie Beard this year as our treasurer, Susie Spinks as vice chair and our very committed band of parents. It is also important to acknowledge the parents who are not members of the PTA but can be called upon to help at events, your support is very much appreciated.

I hope that we can continue to build on our successes and to welcome new members to the PTA. Without the commitment of the PTA members, the staff, the parents and the children we would not be able to achieve what we do.

I will be stepping down in my role as chairperson this year and I am sure the new chairperson will enjoy the role as much as I have; I will however continue as a PTA member and will look forward to helping the PTA in the coming year.

Wendy Rose

Chairperson
