

The Bexley Local Offer is a website providing information and advice for parents and carers of children and young people with special educational needs and disabilities. Visit [www.bexleylocaloffer.uk](http://www.bexleylocaloffer.uk) for ideas and information or services offered.

"This page is part of the Local offer for Bexley. Under the Children and Families Bill which becomes law in 2014, Local Authorities are required to publish, and keep under review, information about services that they expect to be available for children and young people with disabilities and Special Educational Needs aged 0-25. This is called the Local Offer. The intention of the Local Offer is to improve choice and transparency for families. It will also be an important resource for professionals in understanding the range of services and provision in the local area".
